Years and costs

Year (construction start)	2000	Year (construction end)	2002
----------------------------------	------	--------------------------------	------

Features & Amenities

- Skybridge link to next building
- Video screen is on the facade

Facts

- Levels 2-4 contain Continental Europe's largest trading center with room for 450 brokers on each level.
- The trading levels have an increased height of 5m (16.4ft), which leaves enough space for galleries between each trading level.
- Die ausdrucksvoll gestaltete Fassadenkonstruktion wird durch die Grittstruktur der Betonfertigteile betont. Die Aluminium-Pfosten-Riegel-Konstruktion ist in verschiedenen Ebenen angeordnet und sorgt hiermit für die aufgelöste Struktur der Fassade. Kastenfenster sind für die vom hohen Verkehrslärm beaufschlagten Fassaden geplant. Die exakte Auslegung der Zu- und Abluft-schlitze stellt die natürliche Be- und Entlüftung der dahinter liegenden Büroräume sicher. (DS-Plan)

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
