----------------------------------	------	-----------------------	----------------

Year (construction end) 2017

### Features & Amenities

- Terraces are available

### Facts

- Initially proposed by Giarratana Development as the Sheet Music Tower. Highwoods Properties purchased the property and development rights for \$4.84 million in October 2014.
- The Metro Council voted in December 2014 to approve \$56.3 million in tax incentives towards the new headquarters tower. The state has agreed to offer a similar sum – bringing the total amount of incentives to more than \$100 million.
- The headquarters will house 1,700 employees from four Bridgestone business units: Bridgestone Americas Tire Operations, Bridgestone Retail Operations, Firestone Building Products, and Firestone Industrial Products.
- Bridgestone Tower was topped out on Friday, April 7, 2017.

# Get Emporis Research today and benefit from our worldwide database now!

## Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

## Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

## Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

## Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
