Facts

- The luxury residential tower is located between Allegro Condominiums to the south and La Mer Condominiums to the north.
- The luxury residential tower offers its residents panoramic views of the Gulf of Mexico and Venetian Bay.
- The building's pool area is only about 50 feet from the beach.
- Units range in size from 1,735 square feet to over 2,800 square feet.
- The building has two tennis courts atop the building's parking levels.
- The building has a large atrium with a glass roof, glass elevators, and a tiled, plaza-like floor.
- The building is named after a region in southeastern France that borders Switzerland and Italy.
- Current unit prices range from US \$599,000 to \$1,000,000 as of spring 2005.

Get Emporis Research today and benefit from our worldwide database now!

Analyze buildings, construction markets, regions and competitors

- 450,000 buildings from a wide range of categories such as residential, office, retail, hospitality and many more
- Choose from a broad range of regional data packages – or create your own
- Powerful and fast search for in-depth analysis
- Detailed search queries in over 50 data fields, e.g. filter by location, size, status, building usage and construction types
- Generate customized lists of construction projects and involved companies

Generate leads and explore new business opportunities

- Get contact information for over 160,000 companies
- Search for companies related to specific construction projects or generate lists according to particular fields of activity
- Find new clients and business partners or connect with key players in new markets
- Forecast trends and future market growth
- Spend less time researching, and more time doing business

Keep up to date and ahead of your competitors

- Get constantly-reviewed data from around the globe
- 24/7 access to the database from anywhere in the world
- View detailed information about existing buildings as well as those planned and under construction
- Save your searches for easy future reference
- Receive email notifications about new content fitting your criteria

Download data and put it to work

- Export information easily to CSV/Excel files
- Individually select data fields for your specific needs
- Integrate the data into your own internal system
- Provide your staff with actionable data
- Benefit from limitless downloads within your chosen package
